

WELLESLEY PRIMARY SCHOOL ANTI-BULLYING POLICY

Statement of Intent

At Wellesley Primary School we are committed to providing a warm, caring and safe environment for all our children so that they can learn and play in a relaxed and secure environment. Bullying of any kind is unacceptable and will not be tolerated in our school. We take all incidents of bullying seriously. Bullying hurts. No-one deserves to be a victim of bullying. Everybody has the right to be treated with respect and pupils who are bullying others need to learn different ways of behaving.

At Wellesley Primary School, we acknowledge that bullying does happen from time to time – indeed, it would be unrealistic to claim that it does not. When bullying does occur, everyone should be able to tell and know that incidents will be dealt with promptly and effectively in accordance with our anti-bullying policy. We are a *TELLING* school. This means that *anyone* who knows that bullying is happening is expected to tell the staff.

Aims and Objectives

The aim of this policy is to try and prevent and deal with any behaviour deemed as bullying. The implementation of this policy will create an ethos where bullying is regarded as unacceptable so that a safe and secure environment is created for everyone to learn and work in. All members of the school have a responsibility to recognise bullying when it occurs and take appropriate action in accordance with the school policy. This will happen in the following ways:

- The school will meet the legal requirement for all schools to have an anti-bullying policy in place.
- The school will work closely with other professional agencies to ensure that children stay safe as stated in The Children Act 1989, The SEN and Disability Act 2001, The Government Green Paper 'Every Child Matters' 2003 (outcome 2) and The Children Act 2004.
- All governors, teaching and non-teaching staff, pupils and parents/guardians will have an understanding of what bullying is.
- All teaching and non-teaching staff will know what the school policy is on bullying and will consistently and swiftly follow it when bullying is reported. Staff will be reminded of the school policy during a staff meeting at the beginning of each school year.
- All pupils and parents/guardians will know what the school policy is on bullying and what they can do if bullying occurs. Pupils will be informed of the policy during anti-bullying week and related PSHE lessons. The policy will be added to the school website for parents to view.
- Pupils and parents/guardians will be assured that they will be supported when bullying is reported.
- Whole school initiatives (staff training, celebration assemblies etc) and proactive teaching strategies (PHSE lessons, circle time etc) will be used throughout the school to reduce the opportunities for bullying to occur.
- A positive, caring ethos will be created within the school environment where everyone can work, play and express themselves, free from the fear of being bullied.

What Is Bullying?

The school has adopted the following collaborative definition of what bullying is:

Bullying is any deliberate, hurtful, upsetting, frightening or threatening behaviour by an individual or a group towards other people, which results in worry, fear, pain or distress to the victim.. It is repeated over a period of time. (remember STOP – it happens Several Times On Purpose).

Bullying can be:

- Emotional - being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures), ridicule, humiliation
- Verbal - name-calling, sarcasm, spreading rumours, threats, teasing, making rude remarks, making fun of someone
- Physical - pushing, kicking, hitting, pinching, throwing stones, biting, spitting, punching or any other forms of violence, taking or hiding someone's things
- Racist - racial taunts, graffiti, gestures, making fun of culture and religion
- Sexual - unwanted physical contact or sexually abusive or sexist comments
- Homophobic - because of/or focussing on the issue of sexuality
- Online/cyber - setting up 'hate websites', sending offensive text messages, emails and abusing the victims via their mobile phones
- Any unfavourable or negative comments, gestures or actions made to someone relating to their disability or special educational needs.

Bullying is not

It is important to understand that bullying is not the *odd occasion* of falling out with friends, name calling, arguments or when the occasional trick or joke is played on someone. It is bullying if it is done several times on purpose (STOP).

Children sometimes fall out or say things because they are upset. When occasional problems of this kind arise it is not classed as bullying. It is an important part of children's development to learn how to deal with friendship breakdowns, the odd name calling or childish prank. We all have to learn how to deal with these situations and develop social skills to repair relationships.

Where does bullying happen?

It can happen anywhere – in the classroom, in the corridor, in the toilets, in the dining hall, in the playground. Bullying may also happen on the way to and from school. In such cases, the Headteacher is empowered by law to deal with such incidents but must do so in accordance with the school's policy.

At Wellesley Primary School, we are concerned with our children's conduct and welfare outside as well as inside school and we will do what we can to address any bullying issues that occur off the school premises. The following steps may be taken:

- Talk to the local Community Police Officer about problems on the streets
- Talk to the transport companies about bullying on school buses and in school taxis
- Talk to the Head Teachers of other schools whose children may be involved in bullying off the premises
- Discuss coping strategies with parents
- Talk to the children about how to handle or avoid bullying outside the school premises

Signs and Symptoms

A child may indicate, by different signs or behaviour, that he or she is being bullied.

Adults should be aware of these possible signs and investigate further if a child:

- is frightened of walking to or from school
- begs to be driven to school
- changes their usual routine/route to school
- begins truanting
- becomes withdrawn, anxious or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to under perform in school work

- becomes aggressive, disruptive or unreasonable
- starts swearing or using aggressive language for no apparent reason
- is bullying other children or siblings
- stops eating
- bed wetting
- is frightened to say what's wrong
- gives improbable excuses for any of the above

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be taken seriously and investigated as soon as possible.

Appendix 1

What can you do if you are being bullied?

Wherever you are in school, you have the right to feel safe. Nobody has the right to make you feel unhappy. If someone is bullying you, it is important to remember that it is not your fault and there are people who can help you. Possible strategies that can be adopted include:

- Try not to let the bully know that he/she is making you feel upset.
- Try to ignore them.
- Be assertive - stand up to them, look at them directly in the eye, tell them to stop and mean it.
- Stay in a group, bullies usually pick on individuals.
- Get away as quickly as you can.
- Tell someone you can trust – it can be a teacher, a teaching assistant, a midday supervisor, a parent, a friend, a brother, a sister or a relative.
- If you are scared, ask a friend to go with you when you tell someone.
- If you don't feel you can talk to someone about it, write it down and post it in the class worry box.
- When you tell an adult about the bullying give them as many facts as you can (What? Who? Where? When? Why? How?).
- Keep on speaking out until someone listens and helps you.
- Never be afraid to do something about it and quick.
- Don't suffer in silence.
- Don't blame yourself for what is happening.
- Call a helpline (Childline 08001111, Parent line plus 08088002222, Kidscape 02077303300).

What can you do if you see someone else being bullied?

Ignoring bullying is cowardly and unfair to the victim. Staying silent means the bully has won and gives them more power. There are ways you can help without putting yourself in danger.

- Don't smile or laugh at the situation.
- Don't rush over and take the bully on yourself.
- Don't be made to join in.
- If safe to do so, encourage the bully to stop bullying.
- If you can, let the bully know you do not like his or her behaviour.
- Shout for help.
- Let the victim(s) know that you are going to get help.
- Tell a member of staff as soon as you can.
- Try and befriend the person being bullied.
- Encourage the person to talk to someone and get help.
- Ask someone you trust about what to do.
- If you don't feel you can talk to someone about it, write it down and post it in the class worry box.
- Call a helpline for some advice (see above).
