

## MacMillan Coffee Morning

Many thanks to all who contributed cakes and attended. We raised a fantastic £237.47.

## SCHOOL PHOTOGRAPHER

Our School Photographer will be in school on Monday 8<sup>th</sup> October. As usual he will be taking pictures of individuals and family groups. If you would like a photo taken with any younger brothers and sisters, please come to the school hall door at 8.30am.

## Safeguarding

Can we remind parents that when they come into school for events such as an Assembly or the MacMillan Coffee morning that they should not be wandering around school. This is a huge safeguarding issue as there may be inadvertent unsupervised contact with other people's children; this could put you in a difficult position, for example if you went into the children's toilets with a toddler other children might be in there and this would not be appropriate.

## Behaviour

It has been brought to our attention that the behaviour of one or two of our pupils has not been as good as we would hope when they have been playing out of school. If you are ever concerned do please come into school to discuss this.

## Goal Posts

As you may have noticed, we have invested in some goal posts for the playing field. These are collapsible for storage so not incredibly sturdy. We would appreciate children not touching them before and after school to avoid breakage. Thank you for your co-operation.

## A Languages Adventure for Year 6

Our trip to YA to do languages was extremely fun.

Here is what we did:

First we were greeted by a teacher and then seated in the auditorium for a small speech on what we would be doing. Then we, along with some other schools, were brought to the Sports Hall where lots of friendly students were waiting for us. We were given a pack of ten fake Euros to spend on stalls, where on some of them we had to ask for or answer things in French or Spanish. We had around half an hour to get around at least ten stalls before returning to our teachers. A few minutes later, we collected our belongings and started our walk home, although some people got collected by their parents. Others walked back with Mrs Harding-Adams and Teresa who kindly accompanied us on our trip.

By Lauren and Rosie

**PHONE NUMBERS**

Please remember to notify us of any change to your contact details (phone numbers and address) – we do need these to be current in case of an emergency.

**Pants!**

If your child has an 'accident' in school we would be grateful if you could wash and send back any clothes we put your child in; our stocks of pants and knickers are getting low!

**Aerospace Bristol (Y4)**

I really enjoyed my trip to Aerospace. I loved going on Concorde. It was my favourite part of the whole trip. I also like making my own aeroplane out of card. While I was making it, I got to pick my own pair of wings, a tail and a body for it. When I went on Concorde my mind was blown. It was amazing when I saw all the buttons in the flight deck. I got to find out where the Queen sat when she went on Concorde. I also got to see a few other airships and facts about them, like how many crew there were and how many could fly on there. Out of 10 stars I'd give it a 10.

**Head Teacher's Awards**

Congratulations to the following children who have earned a Head Teacher's Award:-

Y1: Eva M and Alfie for using describing words (adjectives) in their writing.

Y4: Lauren for a fab-u-lous story.

Y5: Luke for a brilliant story based on 'The Fastest Boy in the World'.

Y6: Lauren, Holly, Maddie and Charlie for brilliant stories based on 'The Lion, the Witch and the Wardrobe'.
